On these courses you will learn how to weave a round basket using unstripped willow from Somerset and Herefordshire. I like to offer a few varieties of willow to use so you can play around with the different colours of bark.

Best suited for beginners, you can expect to complete one or maybe two baskets in the two days. Bring along your own tools if you have them – secateurs, knife, bodkin – or if not I will provide them. And make sure you have plenty of warm clothes!

Light refreshments will be provided, but remember to bring lunch.

The classes are small with a limit of six people to enable me to give everyone enough attention.

£95 includes cost of materials

Each day begins at 10am and ends at 5pm.
